

CAGE PANEL

Fully Welded

Easy Installation

Modular

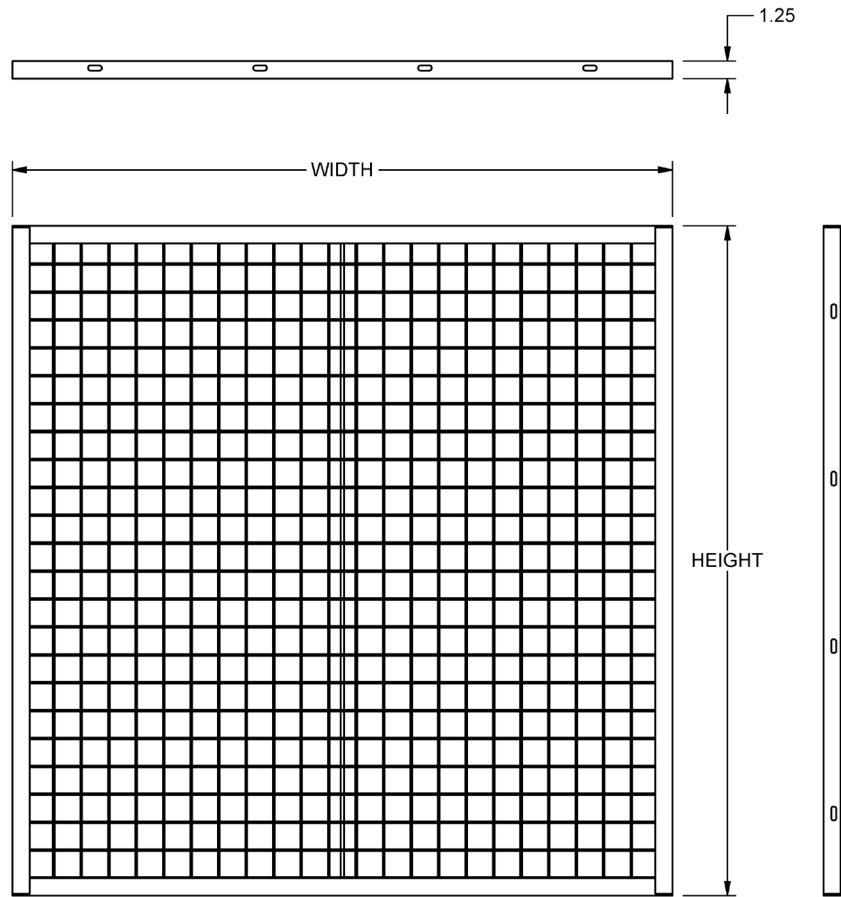

The ConaTech Caging Panel is a fully welded security panel. Combine these panels with posts and doors to create a securely accessible area within your space. ConaTech Caging Panels offer industrial grade strength with unparalleled quality and craftsmanship. Slotted holes along the length and width of the frame ensure easy installation with little to no modification required.

Standard Features

- Welded Angle Frame
- Wire Mesh Insert
- Bracing on Large Panels
- Slotted Holes
- Available in Many Sizes
